PRESS RELEASE

Lake-Sumter Community College's South Lake Campus Introducing Non-Credit Interior Decorating Course

LEESBURG (September 1, 2009) - Lake-Sumter Community College's Continuing Education office strives to offer classes that are practical, educational, fun...and unique. This month they are offering classes on the South Lake Campus, in Clermont that offers all of the above.

For those students wanting to use their home or office as their creative canvas, the debut of Introduction to Interior Decorating class will provide the inspiration needed. The class will learn the necessary skills and the important fundamentals of some of the best decorating techniques, including the different elements of design, principles of color, fabrics and window treatments, flooring, and the tricks-of- the-trade room accessorizing. The class meets on Thursdays, beginning September 24 and continuing through October 29, from 6 until 8 p.m. Cost is only \$69.

Students wishing to learn a new language or to improve current skills will want to enroll in either Spanish Beginning Conversational, Level 1 or Level 2, depending on their abilities. Both classes start on September 24 and run on consecutive Thursdays through November 12. Level 1 meets from 5:30 to 7:30 p.m., Level 2 from 7:30 to 9:30 p.m. Cost for each course is \$69.

Students can also enhance their computer skills during the South Lake Campus' Word 2007, Level 2 and Excel 2007, Level 2 courses. Both are one-day classes that meet on Fridays, from 8 a.m. until 5 p.m., at a cost of \$99 each. The Word class is scheduled to start September 18, Excel on September 25

To register for these or any of the variety of the Business Resources Center's Continuing Education and Computer Institute classes, log on to www.BusinessResourcesCenter.org or call 352-365-3556.
