

Diversify Your Mind!

Multicultural Student Association of Lake-Sumter Community College

The Multicultural Student Association (M.S.A.) is open to all students who are interested in working toward achieving individual and cross-cultural goals.

M.S.A. also supports all efforts toward a greater understanding and appreciation of cultural diversity.

We are here to help students promote personal growth, cultural pluralism, community education, and positive racial change.

Please Attend Our First Meeting of the Fall Term

Friday, September 11, 2009

12 noon until 1 p.m.

Leesburg Campus

Student Center, Room 108

Multicultural Student Association Mission

We are here to embrace cultural diversity,
increase minority involvement,
and promote cultural awareness
throughout our community and campus.
