PRESS RELEASE

**Lake-Sumter Community College's Sumter Campus
Offering A Variety of Summer Classes**

LEESBURG (April 20, 2009) - There is still time to register for evening classes at Lake-Sumter Community College's Sumter Campus. Fourteen-week courses in Business Computer Applications, College Prep and Basic Composition, College Prep Reading, Introduction to Education, Introduction to Psychology (seven weeks) and Introduction to Sociology, as well as Fire Science Technology classes start Thursday, May 7 and continue through August 12.

There are also online courses in Composition, Economics, Education, English Composition, Health and Nutrition, Literature, Microcomputer Applications, Office Administration and Psychology, also starting on May 7.

Current students and new students who have completed the enrollment process can register online through May 7. Registration continues for Summer Term B, which runs for seven weeks from June 29 through August 12. If you have not yet applied, the application and enrollment steps are available on LSCC's website, under the "Future Students" tab.

For additional information, visit www.lsc.edu or call the Sumter Campus, located in Sumterville, at 568-0001.
