

National Athletic Trainers' Association

The LSCC Athletic Training Department is looking for outgoing, hard working student athletic trainers for the 2009-10 school year. Student athletic trainers at LSCC are given the opportunity to work with LSCC student-athletes and gain knowledge about prevention, evaluation and treatment of injuries. Students must be available to work in the afternoon from approximately 1:00 pm to 6:00 pm and some weekends. Scholarships are available and a 2.0 GPA is required. People who should apply for this position are looking to go into athletic training, sports medicine, strength and conditioning or physical therapy.
