***Become a charter member of the Lake-Sumter Community College Athletic Department's IGTAY (I give ten a year)!***

The Purpose of *IGTAY* is to provide annual financial support to the athletic department at Lake-Sumter Community College, and to assist in providing athletic scholarships to our student-athletes.

This organization will play a major role in ensuring that all of our athletic teams are given the maximum amount of scholarships offered by the NJCAA.

**The Top Priorities:**

- Securing funding for the annual cost of athletic scholarships
- Securing funding or reimbursement of the operating expenses for Athletics.
- Establishing and maintaining adequate reserve funds in the event of poor economic times.

Any expenditure other than those established under the previous three priorities, shall be limited to direct or indirect aids to the athletic program at Lake-Sumter Community College and must be approved by the College President.

***IGTAY* can be a key fundraiser for building and maintaining athletic facilities. It can also provide opportunities for program growth, by providing funding for the addition of new sports teams. The goal of *IGTAY* is to establish a permanent endowment for the Lake-Sumter Community College athletic program in the future. For only \$10.00, you can become a Charter Member of this group!**
