	<input type="checkbox"/> ____ REA 0002 College Prep Reading II
	<input type="checkbox"/> ____ SLS 1501 Foundations of Success Seminar

The General Studies pre-major prepares students to transfer as a junior to a Florida public university in majors without Common Program Prerequisites.

This pre-major may also be selected by undecided students who want a general associate's degree.

Completion of the A.A. degree guarantees admission to a Florida public university, yet does not guarantee admission to an upper division limited access program which has additional requirements.

Consult the university of your choice for detailed requirements for your major.
