Approved by Board of Trustees on June 19, 2002**

**Emergency Medical Services Technology  
Articulation Program**

The Emergency Medical Services Associate in Science Degree Program is designed for students who desire a career in out-of-hospital emergency medicine. The Emergency Medical Technician courses and the Paramedic courses will be taken at Lake Technical Center or other approved technical centers or community colleges. The General Education and elective college credit courses will be taken at LSCC.

Students entering this program must have a current Florida EMT certificate, must have taken the College Entry Level Placement Test, and must have completed all required college preparatory courses in English, reading, and mathematics if appropriate.

To earn the Emergency Medical Services A.S. Degree, a student must hold current Florida licensure as a Paramedic, must have completed all required and elective credit courses at LSCC with a minimum 2.0 grade point average, and must have an approved LSCC Articulation Credit Transfer Request form on file in the LSCC Admissions Office.
