

DARE TO BE GREAT: BECOME AN FACC MEMBER

Become a supporter of positive change by joining the Florida Association of Community Colleges. Your membership sponsors powerful advocacy for greater funding and legislative changes to build more effective FL community college institutions.

Here's a quick snapshot of the power that your membership dues can continue to make happen...

FACC BRINGS HOME THE "BACON"

What will your membership fee provide to the family of Florida community colleges and specifically LSCC this year?

Your FACC membership fee (a \$3-4 monthly amount) assisted the Florida community colleges in securing from the Florida Legislature for 2005-06:

- **\$42 Million dollars in increased revenue a 4.43% increase**
- **An authorization to increase fees to 10% of tuition (from the \$1.00 per credit hour)... an estimated \$21.6 Million in additional revenues for Capital Improvement (buildings & renovation, etc.)**
- **\$20 Million for additional educational programs**
- **\$13 Million for hurricane recovery and insurance deductibles**
- **A more equitable funding formula for smaller community colleges**

How specifically is LSCC to benefit? LSCC has received an increase of approximately \$1M to its regular budget:

- **Of which \$695K supported on average a 3.5% employee pay increase and Salary & Benefits for 13 new positions**
- **Dollars in the Capital Improvement Plan for the M and new science buildings; renovation of the administration bldg; and other miscellaneous improvement projects.**

We hope that FACC can count on your support. See Sue Fagan, Shirley Schley or Tim Kane for a membership application.
