To find the day and time of your final exam first find the days and time that your class normally meets in the exam grid, then find the column header to locate the day of your final exam and find the time of your final exam at the beginning of the row on the left. For example, if your class normally meets on TR at 12:30 first find this entry in the grid, then notice the final exam will be on Tuesday, December 8 from 12 - 1:55 pm.

Final exams are generally given in the same classroom in which the course was taught.

Faculty: Grades are due on Monday, December 14 by 4 pm.
