The LSCC Library/Discount Card Program encourages student and employee patronage of local business while supporting a commitment to education pursuit. Area businesses offer discounts on a variety of products, items and services to those who present a valid card. Cards may be issued to currently enrolled student, staff and faculty members at LSCC. These cards are valid for one year and are non-transferable. Discounts are subject to annual renewal. For a list of current discounts go to www.lsc.edu and check the Student Life web page.

The library website provides free access to an extensive collection of online subscription databases with the use of your library card. Click on the **Databases A-Z** link for a full list of these resources. To login, use your 14-digit library barcode number from your Library Card as the borrower ID and the last four digits of your Social Security Number as the PIN.

Library Policies

- **Books** can be **checked out for 3 weeks and renewed for 3 more weeks**. All renewals, including those for overdue books, will be set at three weeks from the original due date. Books overdue for more than three weeks will not be renewed. You may not borrow other books if you have overdue books.
- **Maximum Fines:** Fines are \$.20 per day, per item. **The fine will continue to accrue until the \$20.00 maximum is reached**, until the book is returned or until the replacement charge is paid.
- **Lost Book Policy:** After 45 days overdue, an item is considered "lost" and library holds are placed on student records. If the books are returned, the hold is removed and the student only pays the fine. If books have been lost or damaged **the fine plus a \$65.00 non-refundable replacement charge per item** will be assessed. This charge covers the cost of the book and a processing fee. **No refunds will be given** if the book is found after the fine and the \$65.00 have been paid.
- **Library Cards:** The college is no longer issuing student ID cards. Keep your old ID if you have one or get a separate library card after add/drop (or sooner if you need library materials). You must have a barcoded ID or library card to check out material and to use online databases.
- **Online Renewals & ILL Requests:** From the LINCC Catalog, you can use your library card to renew checked out books and make ILL Requests (requesting materials from other community college libraries in the state). The borrower ID is the 14-digit library barcode number from your Library Card and your PIN is the last four digits of your Social Security Number.
- **Reserve Material:** Items placed on Reserve by instructors require a library card for checkout. The instructor determines the checkout period.
