## Faculty Rank & Promotion Request for Application Consideration

I request to be considered as an applicant for the \_\_\_\_ (year) Faculty Rank & Promotion program. I understand that consideration as an applicant is made on a first come, first served basis. Furthermore, although there is no applicant quota, I understand that the FR&P program may not accommodate all applicants and that applicants' seniority within rank will be used to determine the final FR&P program applicant pool.

If accepted as an applicant I understand and agree with the above conditions, as well as, to follow the rules and procedures of the FR&P program.
